Thank you for registering for the **Tunnel to Towers Foundation's National Run, Walk, & Climb Series**. Your support and dedication are greatly appreciated.

Participants are paying homage to the 2,977 people who lost their lives during the terrorist attacks on September 11, 2001 as well as those who have lost their lives due to 9/11 related illnesses in the last 20 years. **The funds raised at these events support our programs that honor our first responders and military personnel** who have made extraordinary sacrifices in the line of duty.

The Tunnel to Towers National, Run, Walk & Climb series honors firefighter Stephen Siller who strapped 60lbs of gear on his back and raced on foot through the Brooklyn Battery Tunnel to the Twin Towers on September 11, where he valiantly laid down his life to bring others to safety.

Retracing Stephen's last steps is a symbol of our mission to DO GOOD.

This fundraising guide is filled with helpful tips to ensure that participants have all the tools necessary to have a **fun and successful fundraising experience**.

For any questions or additional information, please email us at info@t2t.org or give us a call at **(718) 987-1931**.

NATIONAL RUN, WALK & CLIMB SERIES

The Tunnel to Towers Foundation's National Run, Walk, & Climb Series has expanded tremendously over the last few years, with **nearly 80 events scheduled to take place around the country in 2024!**

Our signature event is the annual Tunnel to Towers 5K Run & Walk NYC that is held on the last Sunday in September. It started with a humble 1,500 people in 2002, and grew to over 40,000 participants last year.

Funds raised in these events go towards the In the Line of Duty program. This program **provides mortgage-free homes to our nation's catastrophically injured veterans and first responders**, as well as provides mortgage-free homes to Gold Star families and Fallen First Responder families with young children.

WHY FUNDRAISE?

We encourage participants to fundraise at **National Run, Walk, & Climb Series events** since they directly support the **In the Line of Duty program** that honors America's heroes and the families with young children of fallen military service members and fallen first responders.

Registration fees help offset some of the expenses associated with planning the Tunnel to Towers National Run, Walk, & Climb Series, as one of the country's largest annual events. **Fundraising is an essential part of our mission** that enables us to make a difference in the lives of so many first responders and military heroes that have made significant sacrifices for our great nation.

WHY FUNDRAISE?

The average cost of construction for a smart home is **GREATER** than \$500,000.

If 25,000 National Run, Walk & Climb Series participants raise a **MINIMUM** of \$100, the total amount raised would be \$2,500,000.

MATCHING GIFTS

Gift matching is a vital component to any fundraising initiative that could dramatically increase donations by doubling or tripling contributions.

Tunnel to Towers utilizes the Double the Donation tool to assist fundraising participants in finding out if companies will multiply their donations with corporate employee gift matching. **Visit T2T.org/Matching-Gifts**

IMPORTANT FACTS!

65% of Fortune 500 companies and countless others match donations.

An estimated \$6-\$10 billion is left unclaimed annually, and only around 9% of employees utilize their company's gift matching policy.

SOCIAL MEDIA **FACEBOOK**

Facebook is a great platform to use for promoting a fundraising page.

1. Fundraising participants can secure the support of friends, acquaintances, family members, and colleagues through posting Facebook status updates. Tunnel to Towers has a prepared message for this or participants can create their own that is more personal to them.
2. For a more personal Facebook status update on fundraising, create a status update with a sentence or two about your fundraiser. Adding personal photos that help tell your story and the link to your fundraising page will help draw more attention to your cause.
3. Consider making Facebook posts public to reach a bigger audience, and ask friends to share your updates with their contacts.
4. You can also start a Facebook group solely dedicated to your fundraising and invite people to join to follow along on your journey.
