4-STAR CHARITY RATING

access: www.charitynavigator.org

4-STAR CHARITY RATING

Based on our latest audited financial statement, the Stephen Siller Tunnel to Towers Foundation has a program service percentage of 92.3 %; over 92 cents out of every dollar went directly to program services. We are also proud to announce that we have attained a four-star rating from Charity Navigator, an independent evaluator of charities, with an overall score of 95.91 %.

STEPHEN'S STORY & OUR GOLF EVENTS

FDNY, STEPHEN SILLER

On Sept. 11, 2001, Stephen Siller, a 34 year old fire-fighter, took his final heroic steps as he ran with his gear through the Brooklyn Battery Tunnel to the World Trade Center to help save others. Thousands of lives were saved that day, but this was not to be Stephen's destiny.

On that tragic summer's day, 9/11/01, Stephen had just completed his scheduled tour with the FDNY, and was traveling to meet his brothers to play a traditional round of golf. However, he decided to go back and help others, and unfortunately, the innocence of an entire nation died that day.

The NYC 5K RUN & WALK traces the footsteps he took on that fateful day. In running along his path, the 15th annual run on September 25th not only honors Stephen, but also his 342 firefighter brothers and all 2,977 innocent people who perished on 9/11.

ANNUAL HERO-TO-HEROES AWARD CEREMONY

The Hero-to-Hero Awards are presented annually to brave individuals who best embody the service spirit of Stephen Siller.

SSGT CHRISTIAN ENGLEDRUM, NY ARMY NATIONAL GUARD & NYC FIREFIGHTER

Christian Engledrum, 39, who rescued survivors from the World Ttrade Ctr. rubble after the Sept. 11 attacks, made the ultimate sacrifice in Iraq on Nov. 29, 2004. Engledrum was assigned to the NYANG's 1st Battion 69th Inf regiment. Christian, a father of three, died when his Humvee came under attack and was struck by an IED outside Baghdad, Iraq.

Christian also served in Desert Storm in 1990. He started his public service career as a NYC Police Officer, then became a member of the FDNY in 1999, assigned to Ladder Co. 61 in the Bronx.

NYPD Sgt. EDWARD NED THOMPSON, 9/11 FIRST RESPONDER

Sgt. Ned Thompson operated the street narcotics enforcement unit in the West Village's Sixth Precinct, supervising thousands of arrests, most notably in Washington Square Park.

As a first responder on 9/11 and the following months he worked the bucket brigades, sifting through the debris in hopes of finding survivors. Later, he developed a hacking cough which was unusual for a nonsmoker. In December, 2007 he was diagnosed with lung cancer. Sadly, in March 2008, this superstar cop who lived in West Brighton with his wife Justine and four young girls, lost the battle for his life in Memorial Sloan-Kettering Cancer Center.

SSGT JAMES McNAUGHTON US ARMY RESERVE & NYC POLICE OFFICER

James joined the NYPD in July 2001 after he served 5 years in the military, and was assigned to the subway transit Bureau. On August 2, 2005, Staff Sgt. James McNaughton, 27, was the first member of the NYPD to be killed in action in Iraq. James was serving in the Army Reserves when he was shot by a sniper while training Iraqi police near Baghdad. Police commissioner Ray Kelly said James embodied the NYPD motto, "Fidelis ad Mortem - Faithful until death."

SPECIAL RECOGNITION TO THE 101st CAVALRY FOR THEIR 9-11 DEPLOYMENT

Within 8 hours of the first plane hitting the North Tower, the first advance party of the 1-101st Cavalry was deployed to ground zero. They immediately set-up Squadron operations and troops soon followed. The Squadron spent one month supporting rescue efforts at the "pit" while providing a security perimeter. For all their heroic efforts, we applaud and recognize the often ignored 101st Cavalry's efforts during and after 9-11..
