In recognizing the 20th Anniversary of the 9/11 attacks on America, the Tunnel to Towers Foundation has pledged to help 120 Fallen First Responder & Gold Star FAMILIES by paying off their home mortgages.

**OUR MISSION** honors the sacrifice of FDNY firefighter Stephen Siller and all those who laid down their lives to save others on Sept. 11, 2001. We also honor our brave military and all first responders who continue to make the supreme sacrifice of life and limb for our country and communities.

### SMART HOME PROGRAM

T2T builds Smart Homes that enable our catastrophically injured veterans to live more independent lives. T2T has built or is the process of building 82 *smart homes*, and is committed to build a minimum of 200 homes..

We honor the brave people who made the ultimate sacrifice while serving our country by providing their families with some stability. **DAVID TUNNEY**  
 Restaurateur

David and his family have lived in Huntington for 25 years. He has been instrumental in raising millions of dollars for many local charities; he even shaved his head to raise money for the St. Baldrick's Foundation. David has been on the advisory board for the North Shore Holiday House and Huntington Lighthouse Preservation Society. He currently runs restaurants in Huntington, Greenlawn, Port Jefferson and Setauket. David believes that giving back to the community is a vital mission for every local business. He often says the restaurant must not only be good for us but must also be good for the community.

**Stephen Siller grew up in Rockville Centre and attended St. Agnes Elementary & High School**  
**Lost in the line of duty on Sept 11, 2001**

On that tragic summer's day, 9/11/01, Stephen had just completed his tour with the FDNY, and was on his way to meet his brothers to play a round of GOLF. However, when he heard the scanner in his truck, he drove to the entrance of the then Brooklyn Battery Tunnel, (renamed Hugh Carey Tunnel) but it had already been closed. Determined to carry out his duty, he grabbed his gear, and raced on foot through the tunnel to the Twin Towers, where he gave up his life while saving others. T2T will host seven golf events this year as a tribute to Stephen and all who made the ultimate sacrifice that day: Texas 4/12; New Jersey 6/28; Brooklyn, NY 7/04; Veterans Day events in Staten Island, Florida & South Carolina on 11/11

**Lost in the Line of Duty on Dec. 21, 2015**

Staff Sergeant Louis M. Bonacasa was killed in the line of duty on December 21, 2015 while conducting outside-the-wire human intelligence operations near Bagram Airfield in Afghanistan.

Staff Sgt. Bonacasa and Tech Sgt. Joseph Lemm heroically placed themselves between their team members and a terrorist's explosive laden motorcycle. Although they and four others lost their lives, their actions saved the lives of two of their fellow team members and an Afghan Defender.

Louis, an East Patchogue, New York native, enlisted in the Air Force after graduating from high school in 2002. In 2010, he joined the 105th Airlift Wing and was assigned to the 105th Security Forces Squadron, Stewart Air National Guard Base. He served four tours among Qatar, Iraq and Afghanistan. He is survived by his wife Deborah, who is a veteran, and their daughter Lilianna.

**In December 2019, Tunnel to Towers Foundation paid off the mortgage for the home of the Bonacasa family.**
