## **BENEFITTING:**

On September 11, 2001, firefighter Stephen Siller, who was assigned to Brooklyn's Squad 1, had just finished his shift and was on his way to play golf with his brothers when he got word over his scanner of a plane hitting the North Tower of the World Trade Center. Upon hearing the news, Stephen called his wife Sally and asked her to tell his brothers he would catch up with them later. He returned to Squad 1 to get his gear. Stephen drove his truck to the entrance of the Brooklyn Battery Tunnel, but it had already been closed for security purposes. Determined to carry out his duty, he strapped 60 lbs. of gear to his back, and raced on foot through the tunnel to the Twin Towers, where he gave up his life while saving others.

The Tunnel to Towers 5K Run & Walk is held each year in New York. The event symbolizes Stephen Siller's final footsteps from the foot of the Hugh L. Carey Tunnel (formerly known as the Brooklyn Battery Tunnel) to the Twin Towers Site, and pays homage to the 343 FDNY firefighters, 71 law enforcement officers, and thousands of civilians who lost their lives on September 11, 2001.

Charitable funds raised for the foundation are used to assist Gold Star families, build mortgage-free smart homes for disabled veterans, and help children in need who have been orphaned, among other charitable causes.
