# TWIN TOWERS

THE TRUE STORY OF TWO BROTHERS  
WHOSE COURAGE WILL NEVER BE FORGOTTEN.

OFFICIAL SELECTION OF THE SUNDANCE FILM FESTIVAL

# AN OSCAR®-WINNING\* TRIBUTE TO TWO FALLEN HEROES

When Dick Wolf, producer of the NBC series *Law & Order*, began filming a reality-TV pilot about a New York City police squad, no one could have known that terrorists would claim the lives of fourteen of the men in that unit on September 11, 2001.

Joseph Vigiano, a highly decorated member of NYPD Emergency Services Squad 3, died in the World Trade Center, along with his older brother, John, Jr., a firefighter with Bedford-Stuyvesant's Ladder 132. They both rushed to the scene as soon as the first building was struck and were still helping people evacuate when the towers collapsed.

The footage that had been shot for Wolf's pilot is the basis for this Academy Award®-winning\* documentary. *Twin Towers* follows Joe's Harlem-based rescue team as they go on raids and investigate homicides, and includes interviews with their families, news footage and home videos to tell a story of dedication, heroism and the American spirit that defines us, as a people and a nation.

*On September 11, retired Fire Captain John Vigiano, Sr., and his wife, Jan, lost both of their sons. This film is dedicated to Joe and John, Jr., and to the families they left behind.*
