UNIT DESCRIPTION

Unit 1 is based on the first book in a three-part series, “My Buddy’s a Hero — And I Didn’t Even Know It.” It begins with a note from the author inviting readers to find deeper meaning in everyday heroes, embrace her story and come to tell their own. Students are introduced to the characters of Tyler, Olivia and Sophia and encouraged to mirror the characters' approaches to people in their own lives. Students acquire firsthand experience as the main character, Grandpa, takes them through the events at the WTC and his participation as a former fireman and first responder. An essential question is an arc extending the entire story with guided questions for each chapter to guide student engagement in the narrative. Throughout the unit, student tasks support learning and instruction.
