**UNIT DESCRIPTION**
Unit 2 is based on the second book, “Remembering Heroes,” in the Discovering Heroes® series. The main characters in the story, Grandpa, Grandma, and their grandchildren, Tyler, Olivia and Sophia, continue a journey to acquire knowledge of the heroes of 9/11 and the importance of remembering them. Students gain a deeper meaning of the hero concept presented and expanded through the chapters. Heroism and remembering are reinforced through the use of real people, specifically the firefighters from Rescue Company 1 who made the ultimate sacrifice on 9/11 at the Twin Towers (which were part of the set of buildings known as the World Trade Center). Students work through the unit with guided questions and specific learning tasks based on an essential question. Throughout the unit, student tasks support learning and instruction.
