Support Our Heroes

ABOUT US

The Tunnel to Towers Foundation provides mortgage-free homes to our nation's catastrophically injured veterans and first responders as well as Gold Star and fallen first responder families with young children.

IN THE LINE OF DUTY PROGRAMS

Smart Home Program

The Foundation provides specially adapted, mortgage-free homes that help our most catastrophically injured veterans and first responders to reclaim their day-to-day independence.

Fallen First Responder Program

The Foundation pays-off the mortgages for the families with young children of law enforcement officers and firefighters who are killed in the line of duty.

Gold Star Family Home Program

The Foundation honors the legacy of those who have made the ultimate sacrifice while serving our country by paying off the mortgage or providing the surviving spouses and young children with mortgage-free homes.

Homeless Veterans

In 2022, Tunnel to Towers launched a new national campaign aimed at eradicating homelessness in the Veteran community. In addition to housing support, the foundation will also provide comprehensive care by connecting veterans with appropriate local services that include mental health counseling, skills training, and addiction support.
