EVENT PARTNER

The Tunnel to Towers Foundation provides mortgage-free homes to our nation's catastrophically injured veterans and first responders as well as Gold Star and fallen first responder families with young children.

GOLD STAR FAMILY HOME PROGRAM

The Foundation honors the legacy of those who have made the ultimate sacrifice while serving our country by paying off the mortgage or providing the surviving spouses and young children with mortgage-free homes.

HOMELESS VETERANS

In 2022, Tunnel to Towers launched a new national campaign aimed at eradicating homelessness in the Veteran community. In addition to housing support, the foundation will also provide comprehensive care by connecting veterans with appropriate local services that include mental health counseling, skills training, and addiction support.

SMART HOME PROGRAM

The Foundation provides specially adapted, mortgage-free homes that help our most catastrophically injured veterans and first responders to reclaim their day-to-day independence.

FALLEN FIRST RESPONDER PROGRAM

The Foundation pays off the mortgages for the families with young children of law enforcement officers and firefighters who are killed in the line of duty.

Dear Friends,

As host of 2nd Annual **Tunnel to Towers Celebrity Golf Classic** in Rancho Mirage, California, I am once again very excited to invite you to participate with me and build on our very successful inaugural event! The tournament will be once again held at Mission Hills Country Club on the beautiful Arnold Palmer course.

Your participation will help continue the vital work and promise **Tunnel to Towers Foundation** makes with Gold Star Families, Homeless Veterans, Smart Home Program and Fallen First Responders. Together we can make a difference. I hope that you will help these efforts through your support of our golf event. If you have any questions, please feel free to contact me or tournament producer Steve DiMarco.

You can read more about each program on this brochure or visit their website at www.T2T.org

Thank you,

Wally Joyner
