The Tunnel to Towers Foundation carries out its mission to “Do Good” by providing mortgage-free homes to Gold Star and fallen first responder families with young children and by building specially-adapted *smart homes* for catastrophically injured veterans and first responders. Tunnel to Towers is also committed to eradicating veteran homelessness and helping America Never Forget September 11, 2001.

GOLD STAR FAMILY HOME PROGRAM

The Foundation honors the legacy of those who have made the ultimate sacrifice while serving our country by providing mortgage-free homes to their surviving spouses and young children.

SMART HOME PROGRAM

The Foundation provides specially-adapted, mortgage-free homes that help our most catastrophically injured veterans and first responders to reclaim their day-to-day independence.

FALLEN FIRST RESPONDER HOME PROGRAM

The Foundation provides mortgage-free homes to the surviving spouses and young children of law enforcement officers, firefighters and paramedics who are killed in the line of duty.

HOMELESS VETERAN PROGRAM

In 2022, Tunnel to Towers launched a new national campaign aimed at eradicating homelessness in the Veteran community. In addition to housing support, the Foundation will also provide comprehensive care by connecting veterans with appropriate local services that include mental health counseling, skills training, and addiction support.
