The Tunnel to Towers Foundation carries out its mission to “do good,” by providing mortgage-free homes to Gold Star and fallen first responder families with young children and by building specially adapted smart homes for catastrophically injured veterans and first responders. Tunnel to Towers is also committed to eradicating veteran homelessness and helping America Never Forget September 11, 2001.

GOLD STAR FAMILY HOME PROGRAM

The Foundation honors the legacy of those who have made the ultimate sacrifice while serving our country by paying off the mortgage or providing the surviving spouses and young children with mortgage-free homes.

SMART HOME PROGRAM

The Foundation provides specially adapted, mortgage-free homes that help our most catastrophically injured veterans and first responders to reclaim their day-to-day independence.

FALLEN FIRST RESPONDER HOME PROGRAM

The Foundation pays off the mortgages for the families with young children of law enforcement officers and firefighters who are killed in the line of duty.

HOMELESS VETERAN PROGRAM

In 2022, Tunnel to Towers launched a new national campaign aimed at eradicating homelessness in the Veteran community. In addition to housing support, the Foundation will also provide comprehensive care by connecting veterans with appropriate local services that include mental health counseling, skills training, and addiction support.

MAE AND GEORGE SILLER SCHOLARSHIP PROGRAM

The newly created Tunnel to Towers Scholarship Program will provide full scholarships for all undergraduate degree programs and certified and accredited trade programs for the children of its Gold Star Family Home Program, Fallen First Responder Home Program, and *Smart Home* Program. For families with children who are currently enrolled in a qualifying higher education program, the Foundation promises to reimburse all educational expenses incurred to date.
