

ABOUT US

The Tunnel to Towers Foundation provides mortgage-free homes to our nation's catastrophically injured veterans and first responders, as well as Gold Star families and fallen first responder families who leave behind young children. Tunnel to Towers is also committed to eradicating veteran homelessness and helping America to Never Forget September 11, 2001.

In the Line of Duty Programs

Smart Home Program

The Foundation builds specially-adapted, mortgage-free smart homes that help our most catastrophically injured veterans and first responders to reclaim their day-to-day independence.

Fallen First Responder Home Program

The Foundation pays off mortgages for the families of law enforcement officers and firefighters who die in the line of duty or pass away from 9/11-related illnesses and leave behind young children.

Gold Star Family Home Program

The Foundation honors the legacy of those who have made the ultimate sacrifice while serving our country by providing the surviving spouses and young children with mortgage-free homes or paying off their mortgages.

Homeless Veterans

In 2022, the Tunnel to Towers Foundation launched a new national program to eradicate homelessness among the veteran community. This program provides a stable home and a wide range of services to diagnose and solve the root causes of veteran homelessness, addressing a veteran's specific emotional, financial and physical needs.
